

STEP BY STEP GUIDE FOR CHANGELLY

Changelly supports a wide variety of cryptocurrencies and has super low exchange fees. Deposits are made simple through a single-step process where you use your card to buy and immediately send Bitcoin to fund your preferred Sportsbook Account.

IMPORTANT! CHANGELLY CAN BE USED FOR DEPOSITING TO YOUR AMERICA'S BOOKIE ACCOUNT BUT CANNOT BE USED FOR WITHDRAWALS. FOR MAKING WITHDRAWALS, WE RECOMMEND USING A DIFFERENT EXCHANGE WALLET SUCH AS EDGE APP, COINBASE, CEX.IO OR BITSTAMP.

Creating your Changelly Account

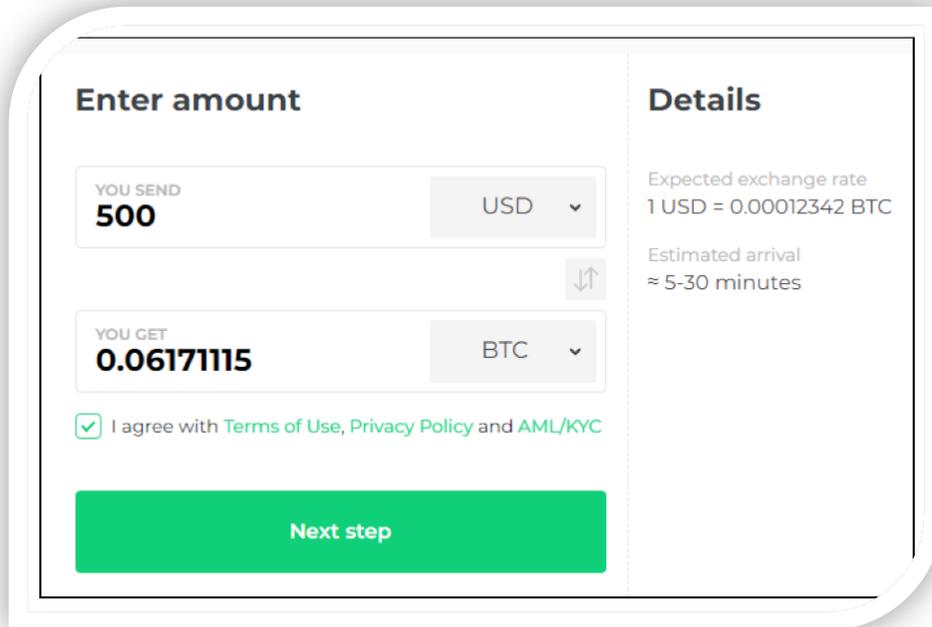

To open a Changelly Account, you need to access their website: <https://changelly.com/> hit the Sign-Up button and follow the following steps:

1. Enter your email address and hit **Continue to exchange**.
2. You will receive an **email confirmation**.
3. Hit the link in the email to be taken back to the Changelly page.
4. You will then receive a second email containing your password (Please note you can change this at any time by going to '**Account/Settings** in the top corner.

Buying Bitcoin and Depositing to you preferred Sportsbook Account

After registered, you'll be taken straight to the page where you can buy Bitcoin.

Enter Amount-in the 'YOU SEND' field, select USD and enter the amount you want to invest. In the 'YOU GET' field, enter BTC (or chosen cryptocurrency) you want to receive. Agree to the Terms and hit **Next Step**.

The screenshot shows a user interface for buying Bitcoin. It is divided into two main sections: 'Enter amount' and 'Details'.
In the 'Enter amount' section, there are two input fields. The first is labeled 'YOU SEND' and contains the value '500'. To its right is a dropdown menu currently set to 'USD'. The second input field is labeled 'YOU GET' and contains the value '0.06171115'. To its right is a dropdown menu currently set to 'BTC'. Below these fields is a green checkmark icon followed by the text 'I agree with Terms of Use, Privacy Policy and AML/KYC'. At the bottom of this section is a large green button labeled 'Next step'.
The 'Details' section on the right contains two lines of text: 'Expected exchange rate 1 USD = 0.00012342 BTC' and 'Estimated arrival ≈ 5-30 minutes'. There is also a small up/down arrow icon between the two input fields.

Enter Address- next, you will need to enter the address the Bitcoin will be sent to. There are a few ways you can do this:

- We recommend using the address from your personal wallet, such as **EDGE App, AirBitz** or **Mycelium**. Once the funds are sent there, you can transfer them to your America's Bookie account.
- If you don't have a personal wallet, you can hit "**don't have one**" link to register an account with **Freewallet**.
- Or, if you prefer, you can enter a receiving address for America's Bookie to have the funds sent directly to your sports account.

The image shows a Bitcoin deposit form with the following elements:

- Amount: 500 USD

- Input field: Bitcoin address (highlighted with a red box)
- Text: BTC address must be **yours** and **under your full control**.
- Link: [don't have one?](#) (circled in red)
- Button: Continue → (highlighted with a red box)

You can use a SportsBook Account:

1. Login to your SportsBook Account.
2. Open the Cashier.
3. Select Deposit.
4. Select Bitcoin.
5. Enter the amount to deposit (must be the exact amount you want to deposit).
6. Claim a bonus(optional).
7. Click on Request Address.

You will need to copy this address. Please DO NOT type the address by hand. Always use the copy-paste feature!

Return to the **Changelly** page, paste the address into the address field and hit **Continue**

You'll now be taken to the Payment Screen

1. Enter your card info, billing address and contact details.
2. Agree to the Terms
3. Hit PAY NOW

The last step is to complete **ID Verification**.

1. Follow the instructions to upload a copy of you ID and enter a few personal details.
2. Changelly will now verify your ID. This can take up to 30 minutes but in most cases its faster than that.
3. You will receive an email to let you know once verification is completed and the payment has been processed.

Your deposit will then be posted to the blockchain. It usually takes 10-60 minutes for deposits to be confirmed.

*You can check your status on any transaction by going to the blockchain website and entering your deposit's address:
<https://www.blockchain.com/explorer>*

Sportsbook Company's interest is to send your funds as soon as you need it. If you have any problems with any withdrawal request, please contact the customer service representatives to receive assistance.
